PERSONAL STATEMENT

My name is Abdelqader Mohamed, Architectural designer, I strive to create beautiful and sustainable creations. I have experience designing a variety of projects, including residential, commercial and public buildings. I am committed to everyone's creativity, whatever engineering and I can be an important part of improving the quality of life

I am passionate about learning and practicing, always striving to develop and improve my skills. Where I can contribute to the creation of distinctive and high-quality projects

I believe I have the skills and experience that make me a valuable asset to any team. I am ready to take on any challenge and I always strive to give my best

If you are looking for someone with experience and skills in the field of architectural and graphic design, I invite you to contact me. I am ready to interview you at any time
